

An aerial photograph of a residential neighborhood. A large, irregularly shaped area in the center-left is highlighted in a bright cyan color. This area is situated between a multi-lane road on the left and a residential street on the right. The highlighted area is labeled as a planting site for mixed species trees, with a mature height of approximately 40 feet. The surrounding landscape includes green lawns, trees, and houses with various roof colors. A road with several cars is visible on the left side of the image.
